Limited Edition Boutique Villas

SN Junction, Thrippunithura

LEVEL
 YOU ARE HOME
100

Data aided design and Vasthu based ergonomics enables all our villas in Purna, the advantage of naturally cooler interiors owing to efficient passage of air and lower exposure to the sun during daytime.

With a best in class, opening ratio of 24.5 %, larger openings / windows for villas allows more daylight to enter and enables good thermal management. Features like skylight further helps to reduce the temperature within the premises.

TOTAL AREA: 1870 Sqft

FIRST FLOOR : 898.68 Sqft

GROUND FLOOR : 971.01 Sqft
